Prague, Czech Republic

Prague truly is a rare and magical city, full of unexpected delights just waiting to be discovered. Known as the “Golden City of 100 Spires,” Prague’s position at the crossroads of Europe has made it a popular destination for centuries. A part of the European Union since 2004, Prague retains its old world charm with stunning churches and palaces that enthrall visitors with their architectural splendor, inviting cobblestone pedestrian streets, charming boutiques and outdoor cafés along the river where one can while away the hours and sample a glass or two of renowned Czech beers. For shoppers, the delights of traditional Czech products such as crystal ware, pottery, and marionettes are available in a wide selection of international shops throughout the city center.

With so much to do while we are here for the two nights during the main program, you may want to have one more day to explore on your own. Prague is a beautiful combination of Gothic, Medieval, Art Deco styles, and in some places, you might feel like you are in Paris in the 20s and 30s! Fortunately, the buildings were not destroyed in WWII so you’ll see this town in all its architectural history.

And the central location puts you close to Prague's most compelling sites and attractions, such as the Old Town Square, Charles Bridge, Wenceslas Square and Prague Castle.

During your stay, dine at the two on-site award-winning restaurants. La Rotonde serves superb cuisine inspired by international flavors. The Alcron, which received the Michelin Star in 2012-2017 for the work of Executive Chef Roman Paulus, combines hypermodern technique with striking, artistic plating to deliver dishes that are as visually stunning as they are delicious.
